EXPERIENCE

Six Half Dozen | Creative Studio

November 2023 – Present

Multimedia Designer

Internal promotion to oversee larger scale projects, lead younger staff and experiment with new skills.

Nov. 2021 – Nov. 2023

Graphic Designer

Working amongst a creative team in digital, print & environmental design to enhance our diverse clients visual identities and develop brands. This is a client-facing role with many opportunities to showcase a variety of skills.

Go BIG Media Inc.

April 2021 – October 2021

Senior Graphic Designer

Promoted within the company to take on more duties and responsibilities as a designer.

April 2020 – April 2021

Graphic Designer

Worked with clients/co-workers on a national scale to develop brands from start to finish for political campaigns as well as public affairs organizations across the United States.

Monumental Sports & Entertainment (MSE)

Summer 2019

Graphic Design Intern

Worked with the creative services department to design content for digital, print, and environmental needs of the MSE brand family: Washington Wizards (NBA), Capitals (NHL), Mystics (WNBA), Valor (AFL), Baltimore Brigade (AFL), and more.

Daniel's Promotional Products

Summer 2018 & Fall 2019

Graphic Design/Social Media Assistant

Produced client-based designs for products such as t-shirts, printed banners, and various vinyl application projects. In addition, I assisted with boosting the company's social media presence.

JMU Football

April 2017 – May 2019

Student Director of Creative Media

Worked with the football coaching staff to manage the creative content used for recruiting purposes via social media, printed materials, and more. As lead designer, I developed other interns skills to ensure we produced quality content.

OPPORTUNITIES

ESPN Shadowing
June 2, 2018

Invited to the SEC Network studios in Charlotte, North Carolina to shadow a graphic designer.

JMU Athletics Freelance
2018

Designed the logo for the 2018 Division I National Champion Women's Lacrosse team.

Award Winning Helmet Design
September 22, 2018

Worked with the JMU Football equipment staff to design a new helmet decal that was voted as FCS Uniform of the year.
